educational institutions. It would significantly, verification, and validation of academic awards granted by various educational institutions. It would significantly minimize fraudulent activities such as certificate forgery and mark-sheet forgery by allowing online verifications of the same.

The DigiLocker NAD platform is a 24X7 online storehouse for all academic awards. such as certificates, diplomas, degrees, mark sheets, and so on, that have been officially digitized and registered by academic institutions/boards/eligibility assessment bodies. It enables simple access to and retrieval of an academic award and confirms and assures its validity and secure preservation.

The National Academic Depository (NAD) is a digital education portal that allows academic institutions to upload award data and students to view their academic awards. Academic institutions to upload award data and students to view their academic awards. Academic

guide is to give step-by-step instructions to accademic institutions and educate them on the registration proces, data preparation, and all of the features of the NAD application until the publication of the awards.

User Manual

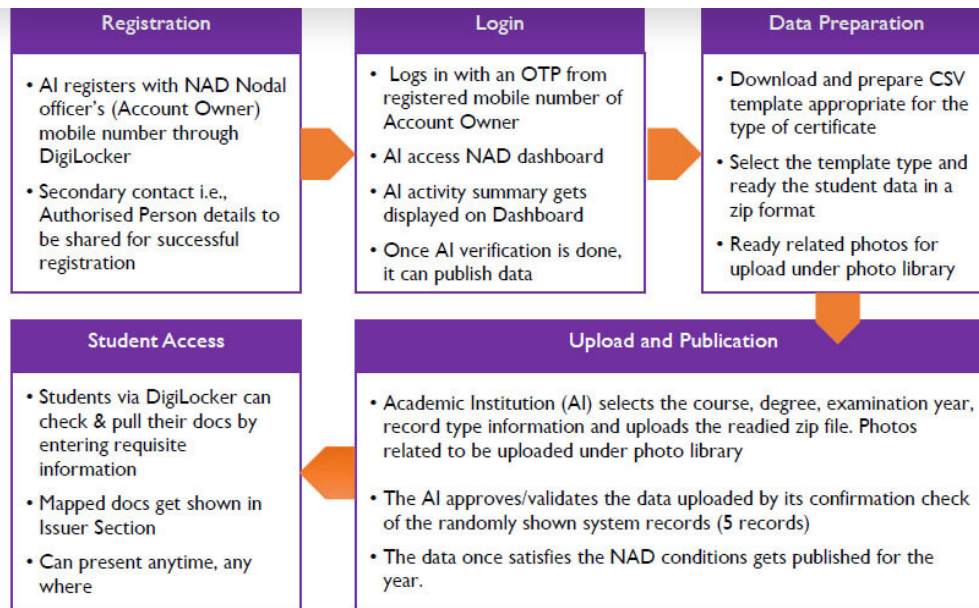

Features of NAD Platform

The Academic Institutions will have access to the following functionalities in the NAD application:

Registration for NAD account generation (AI's can assign Account Owner, the Nodal officer for NAD, and Authorised Person, Who operates the NAD account)

User Manual

1. Registration

- Academic Institutions can register can by logging in at www.nad.digilocker.gov.in

Click on Academia → Start Publishing Now

- Click on "Login with DigiLocker MeriPehchaan" → Enter valid mobile number → An OTP is sent at the phone number via SMS → Enter the OTP and click on "Continue" button → Enter Security PIN set created during Sign Up and click "Submit" Button

User Manual

- The creation of a DigiLocker account is mandatory to operate NAD

- STUDENT
- VERIFIER SKILL
- NSS
- RESOURCES

User Manual

- Click on “Read More” for a small step by step demo on how to upload students’ data

Note: Until your institution is approved, the dashboard will be notified with Verification Pending status.

- Click on “Resource” for section-wise NAD Resources → Circulars, Policy documents, and Certificate Templates along with guidelines can be found at this part.

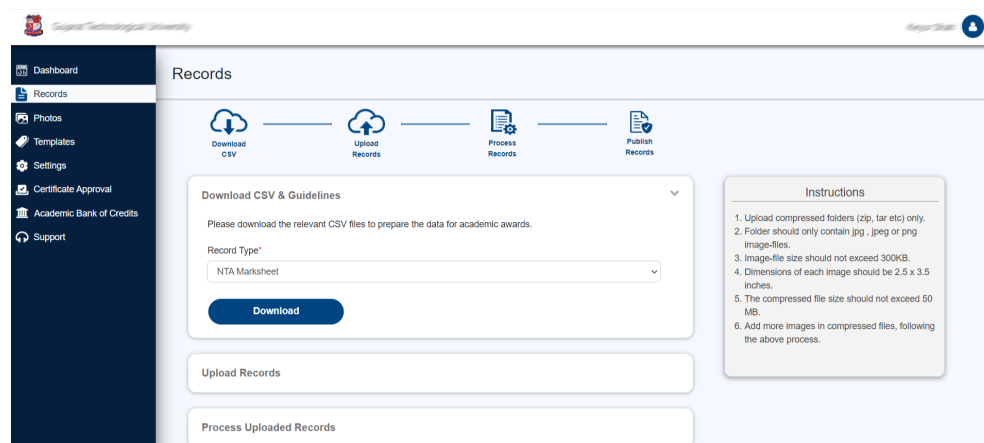

- Click on “Search” → Enter Roll No./ Student Name/ Course Name →

User Manual

2.2. Records (Data Preparation & Upload)

Records Section: This portion handles most of the data processing (from data upload to publishing of awards).

Download CSV & Guidelines

Please download the relevant CSV files to prepare the data for academic awards.

Record Type*

NTA Marksheet

Download

Upload Records

Process Uploaded Records

Instructions

1. Upload compressed folders (zip, tar etc) only.
2. Folder should only contain jpg, jpeg or png image-files.
3. Image-file size should not exceed 300KB.
4. Dimensions of each image should be 2.5 x 3.5 Inches.
5. The compressed file size should not exceed 50 MB.
6. Add more images in compressed files, following the above process.

• Click on “Download CSV” → Select “Record Type” of your convenience → Click “Download” → a sample CSV file with appropriate headers gets

- Once the data is prepared → **Compress the .csv file in .zip format and keep it ready**
- Click on **“Upload Records”** → **Pick the desired “Department,” “Course Type,” “Degree Name,” “Area of Specialisation,” “Year of Examination,” and Record Type” for the data to be uploaded** → **Click on “Browse”** → **select the record to upload** →

User Manual

Check on **“Verify CSV Records.”**

Note: The **“Department,” “Course Type,” “Degree Name,”** and **“Area of Specialisation”** choices may be left at **“All,”** however
